

The Westford Public Library Trustees are delighted to welcome Ms. Margaret “Maggie” Kabbeko as our new Library Director, beginning October 13, 2025.

After a thoughtful search process, we are excited to have found a wonderful match for our library and community. Ms. Kabbeko brings a wealth of experience from working in libraries across several states, along with a Master’s degree in Library Science. Her knowledge, passion, and dedication to library services make her an excellent choice to lead the Westford Public Library into its next chapter.

We look forward to introducing Ms. Kabbeko to our community. A date for a meet-and-greet event will be announced soon—please join us in giving her a warm Westford welcome!

Helen Sterling, Westford Library Trustee Chair
